January 11, 2021

Dear Central Public School Families:

This year we have implemented many new policies and practices to protect the safety of our students and staff and to slow the spread of COVID-19.

Oklahoma Governor, Kevin Stitt, has temporarily ordered schools and other entities to reduce attendance at youth extracurricular events.

We know it is important to our students and their families to experience these important and memorable competitions and celebrations together. We are doing everything possible to support our Tigers while also following mandates and guidelines.

In an ongoing effort to place safety as our greatest priority, attendance at home games will be limited.

Each Central High School basketball player and cheerleader will be allotted 2 tickets. The only fans allowed through the gate must have one of these tickets. Siblings and other students will not be allowed in without one of these tickets. These tickets will be for entry only. Please present the ticket and admission fee at the gate. This will admit one person into the game.

Please remember that all individuals who enter Central Public Schools facilities are required to wear a mask or facial covering at all times and practice social distancing. If you do not feel well, please stay home.

We appreciate your support during this challenging time. Thank you for continuing to support our students – their safety and health, as well as their pursuit of excellence in their activities.

Sincerely,

Larry G. Henson
Superintendent
